

Adobe® Clip Notes

Control panel for the clip notes interface, featuring a search bar, a list of items, a main content area, and navigation controls.

The control panel is divided into several sections:

- Search Bar:** A white rectangular input field at the top center.
- Info Icon:** A circular icon with the letter 'i' in the top right corner.
- Item List:** A vertical list of three white rectangular items on the left side.
- Main Content Area:** A large white rectangular area on the right side, intended for displaying the details of a selected item.
- Navigation and Input:** A white rectangular input field at the bottom left, followed by left and right arrow navigation buttons, and a vertical separator line.
